23rd November, 1933.

Dear Sirs,

S. With reference to your First Entry Report No.18506 on the S.S. "FRANCIS FLADGATE", I have to inform you that I am in receipt of a letter from the Society's Glasgow Office requesting that the Machinery classification certificate be forwarded as soon as possible.

The issue of this certificate is being delayed consequent upon the fees for the survey of the hull not having been paid, and in the circumstances I shall be glad if you will endeavour to arrange for an early settlement so that the classification certificates both on the hull and machinery may be at once issued.

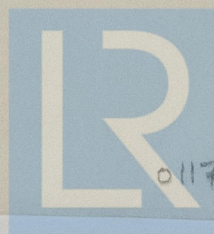

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,

LEITH.
