

Lloyd's Register of Shipping,

Royal Bank Buildings,
28, Constitution Street,

Leith, 26th October, 1933.

Dear sir,

With reference to your letter of the 25th instant with regard to the independent pumps as fitted on the s.s. "FRANCIS FLADGATE" Leith Report No. 18506, we wish to state as follows:-

One ballast pump duplex 9" X 12" X 12"

One General Service pump duplex 6" X 4 $\frac{1}{4}$ " X 6"

One centrifugal circulating pump 8" bore.

We are, Dear sir,

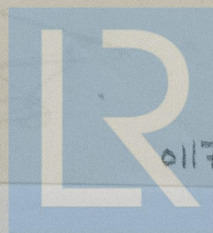

Yours faithfully,

THE SURVEYORS.

Per. Chas. R. Rawcliffe

The Secretary,

LONDON.
