Dear Sir,

"MILIANA"

In reply to your letter of 9th instant, regarding fees charged in our report No.1634 for survey during construction of the hull, we regret that an error in calculation was made.

However, we now calculate the fee at £518.2.0 and therefore as the fees are to be calculated to the nearest £ 1 we propose a fee of £ 518 which with 25% rebate will make the chargeable fee £ 388.10.0

An amended entry is accordingly being made in our rough fee book.

Yours faithfully,
The Surveyors,

Per: - *M. Chambers*

The Secretary,
LONDON.
