Answered

Vessel's Name s. ~~⊗~~ "RAS AL ARDH" - "KUWAIT" - "P.C. SPENCER" - "M.L.GOSNEY"

Referring to your letter of the 8th instant, I wish to confirm that the "KUWAIT" and "RAS AL ARDH" are fitted with six non-rule longitudinal girders, three port and three starboard, at the deck and the bottom. In addition, the longitudinals terminate at a distance less than $1\frac{1}{2}$ " from the bulkheads, the webs being scalloped so as to provide soft ends.
