Dear Sir,

Rijeka First Entry Reports 4b Nos. 1349 & 1428  
m.v. "JOSEF CONRAD" and "KOCHANOWSKI"

The above reports have been found to be in error regarding the position of the oil fired auxiliary boiler. This should have been reported as "Engine Room Lower Platform Port Side Forward".

It would be appreciated if the reports could be amended in this respect and it is regretted that this item was erroneously reported.

Yours faithfully

For the Surveyors

The Secretary  
London
