

Ship's name "NORDIC"

Port

LON

No.

151032

19 FEB 1964

Class is subject to

Last survey date 21.1.64.

Port Main Engine scavenge pump assembly (repaired 11.63)  
being examined by 7.64 (6 months).

SRL Item. The above item opened out, examined and  
repaired as required. ~~TO BE DELETED~~

CSM Advanced.

Damage stated due to striking a barge with starboard  
propeller.

Vessel examined afloat and the tips of two blades  
of the starboard propeller found somewhat damaged, but  
efficient for the present. Starboard ~~ENGINE~~ examined  
under working conditions and all found in order. Recommended  
starboard propeller be specially examined and dealt with  
as necessary at the next dry-docking.

IT IS SUBMITTED that this vessel is eligible to  
remain as classed, subject as now recommended, and without  
other special condition.
