Dear Sirs,

Motorship "RAZANI" ex "ADAMS BECK"

Following a Survey carried out at Newcastle-Upon-Tyne last month, the Committee have continued the class of this ship subject to permanent repairs being carried out to shell frames and tank top plating in cargo holds by completion of the Special Survey on the ship's arrival at a Greek Port, where she is now proceeding.

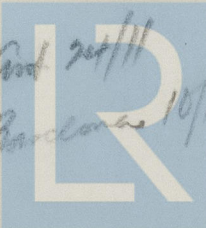

I shall be glad if you will inform the Owners accordingly, and ascertain what arrangements they propose to make to deal with this matter.

Yours faithfully,

Assistant Clerk to the  
Classification Committee.

The Surveyors,  
PIRAEUS
