Dear Sirs,

Motorship "RAZANI" ex "ADAMS BECK".

The new Owners of this ship have asked whether the drydocking carried out on this ship last September can be credited towards the Special Survey, but we conclude that you would not be prepared to recommend this in view of the outstanding repairs to frames and defective shell rivets. I shall, however, be glad if you will let me have your comments on this point.

Will you also, at the same time, state what action has been taken regarding the recommendations referred to in your letter of the 2nd instant.

Yours faithfully,

Assistant Clerk to the  
Classification Committee.

The Surveyors,  
NEWCASTLE-UPON-TYNE.
