Dear Sirs,

motorship "ADAMS BECK"

With reference to my telephone conversation with Mr. W.L.J. Stevens today it is understood that in the light of your survey held in September you see no objection to this vessel making one further trip to Greece with cargo, on the understanding that the Special Survey will be held on arrival. Mr. C. Matoussis, who is acting for the prospective purchasers, has been informed of this fact today, also that if a Loadline Certificate is required a periodical Loadline survey should be held and the letters appearing on the ship's side changed.

The freeboards in millimetres are:-

TE ^R	1480
F	1588
T	1594
S	1702
W	1810
WNA	1861

Provided this is done a Short Term Loadline Certificate for one month may be issued.

Yours faithfully,

c.c. Freeboard

Clerk to the
Classification Committee.

The Surveyors,
NEWCASTLE.
