S.S. "Ever Happiness"

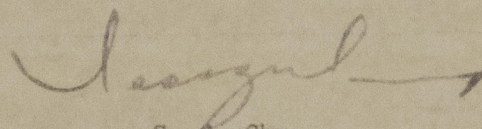

Dear Sirs:

This is in reference to your letter of August 12, 1965, in connection with the subject vessel.

For your information, on the arrival of the vessel at Japan on August 4th, it was drydocked at the Fujinagata dockyard and carried out the Special Survey under the supervision of surveyors of Bureau Veritas, after our Principals' decision to withdraw her classification from your Society and re-classed with B.V. The Special Survey was completed on August 10th.

Taking this opportunity, we wish to thank you for your cooperation accorded this vessel during the past and it is not without regret that our Principals had to make this decision in changing her classification under the circumstances.

Yours faithfully,
FIRST STEAMSHIP COMPANY, LIMITED
