Dear Sirs,

"LEONIDAS CAMBANIS"

With reference to the Main Boiler Survey due at the end of the November last, and to the Screwshaft Survey due at the end of June next, the Owners state vessel is laid up at Hamburg and that any outstanding surveys will be attended to when and if she is re-commissioned. I shall be glad if you will be guided accordingly.

The note in the Special Reasons List relating to windlass is in course of deletion.

Yours faithfully,

Clerk to the  
Classification Committee

The Surveyors,
