14th January, 1949.

Dear Sirs,

With reference to Mr. Edgar's letter of the 29th ultimo regarding the fees proposed in the case of the "STANROYAL", the Technical view here is that, from the facts disclosed in the report, they appear to be on the small side particularly in view of the number of visits paid and the length of time the vessel was under survey.

With these observations, however, the matter is left entirely to the discretion of Mr. Edgar and Mr. Southwell.

Yours faithfully,

The Surveyors,  
NEWCASTLE-on-TYNE.
