Dear Sirs,

I duly received Mr. Leeuwenburg's letter of the 9th instant, respecting the first Bower Anchor of the S.S. "MILLEWA", and with regard thereto I have to inform you that the Superintendent of the Cradley Heath Proving House has been communicated with, and it appears that the test applied to this anchor was 28 tons 18 cwts. 0 qrs. 14 lbs. instead of 26 tons, 18 cwts. 0 qrs. 14 lbs. as entered on the Certificate. The certificate has been amended accordingly and is returned herewith, and I shall be glad if you will be good enough to make arrangements for the marking on the anchor to be corrected in accordance with the certificate as now amended.

I am, Dear Sirs,

Yours faithfully,

Secretary.
