Dear Sir,

"EMPIRE VICEROY"

With reference to our report No.1968 on the above named vessel, we would seek your guidance on the amount of fees to be charged in this case.

We would suggest £100 for the 36 visits involved plus £50 as a special repair fee as we were acting in a consultative capacity.

If you think this is in order would you be good enough to charge this fee and credit this office in due course when paid and advise us accordingly.

Yours faithfully,

S. Gurney
For the Surveyors.

A/c rendered from

The Secretary,
LONDON.
