Dear Sir,

With reference to your C.11., Report on the "TELA" from which it is seen that fees amounting to Kr. 225 and expenses 2 making a total of Kr. 227 were charged, I have to point out that the fees reported in your Transcript of Rough fee book are Kr. 200 with expenses Kr. 5. As your A/c 4 gives the sum paid on the 26th August as Kr. 205, the total given in Transcript, I shall be glad if you will kindly explain the difference of Kr. 22 between this amount and the total charged as shown on your Report.

I am, Dear Sir,

Yours faithfully,

.A. Eide, Esq.,
BERGEN.

Secretary.
