

S/S TELA

REEBOARD REPORT on the

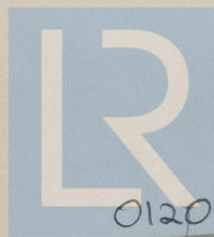

tons

~~It is submitted the Freeboards given on the accompanying form, being those required by the Tables, merit approval.~~

Convention ordinary and timber deck cargo freeboards have been computed on the basis of the information supplied on Form C11 and it is submitted the forms be sent together with the freeboard certificate and three copies to the Oslo Surveyors. The Surveyors should be requested to issue the certificate to the Owners when the alterations required to satisfy the Norwegian authorities have been completed and the freeboards marked on the ship's sides. One copy of the certificate should also be sent to the Owners, one to the Norwegian authorities and one retained for record in the Oslo office. The Surveyors should insert on the certificate the date of issue and expiry. On completion of the case they should return to this Office the freeboard reports and forward the verification of marking form and report on the alterations effected, together with a memorandum of the particulars entered on the freeboard certificate.
