QUESTION

ANSWER

I shall be glad if you will ascertain from the Owners and let me know what arrangements they propose making to carry out the Boiler Survey which became due at the end of November.

I shall also be glad to learn their intentions with regard to this vessel being examined in drydock, as it would appear from the records in this Office that she has not been seen in drydock by the Society's Surveyors since November, 1956.

Date:— 17th February, 1958

The Owner states that for reasons of economy it is their desire to withdraw the class of this vessel and remain under R.I.Na class only.
