Dear Sir,

Steamer "NABEE VENTURER"

I acknowledge receipt of your letter of the 16th instant in reply to my letter of the 4th November and note that the Owners have undertaken to deal with all the machinery items with the exception of the examination of the main reduction gearing at an early date.

Provided the gearing is generally examined through inspection doors at an early date opening out can be deferred until the next drydocking, and I shall be glad if you will inform the Owners accordingly. A copy of this letter has also been forwarded to the Surveyors at Dunkirk.

Yours faithfully,

C. C. DNK.

pro Clerk to the
Classification Committee.

The Secretary,
NEW YORK.
