Dear Sir,

Steam Tanker "MELINE"

I shall be glad if you will forward copies of the Babcock & Wilcox plans of superheaters, water walls and economisers stated to have been supplied under AB Gotaverken Order 19-0636 for their ship No. 716, as these are required for dealing with the First Entry report which has now been received in this office, and subsequently for our records.

Yours faithfully,

Assistant Clerk to the
Classification Committee.

The Secretary,
GLASGOW.
