communications to be addressed to  
THE SURVEYORS

Dear Sirs,

" O R E M A R "

We would refer to your letter Ref: Classn(S) of Feb. 5th. last-contents of which were not only fully conveyed to Owners Representative verbally, but confirmed by hand in letter form, on Feb. 16th. we then taking the precaution of having our filing copy initialed as proof of Owners receipt.

To date we have not been favoured with a written reply so in consequence remain unable to onforward concrete proposals regarding Special Survey etc.

The above information is onforwarded at this early date, for as you are aware International Load Line Certificate expired on Feb. 28th. last. No definite arrangements have been requested for its extension to coincide as detailed in your letter, and bearing in mind our local knowledge of Owners we can foresee possible complications when vessel attempts to leave foreign ports, she already having cleared from Argentina waters subsequent to expiring date, being now we are informed scheduled to return mid April.-

Yours faithfully.

for The Surveyors.
