Dear Sir,

S.S. "VALETTA CITY"

I beg to acknowledge your letter of the 18th ultimo enclosing copy of a communication addressed to the new Owners regarding outstanding Survey items on tye above steamer, and beg to enclose herewith a copy together with free translation of their reply.

I have to state that their attention has been drawn to the fact that the time limit for renewal of boiler tubes has now expired, and the R.I. have also been officially notified of the position.

The Owners have promised to give a very early reply, and in the meantime it will be noted they have requested a copy of the drilling sheet for the last S.S. No.3.

Yours faithfully,
