22nd.Febry.1915.

Dear Sirs,

No.199

We thank you for your letter of the 19th.inst., and note contents. With reference to the Bulkheads on this vessel, we wish you to arrange them as follows, subject to Lloyd's approval. The intermediate Bulkhead in No.2 hold to be dispensed with, and the intermediate bulkhead between after holds to be shifted forward so as to form a deep tank abaft the Engine room, 'tween deck part of this bulkhead being omitted.

Yours faithfully,
