

WOKINGHAM COPY.

LEITH,
EDINBURGH,
30th April, 1945.

Dear Sir,

With reference to, your letter of the 27th inst.,
regarding "KINGFISHER" and "STORK", Leith Reports Nos.
21339 and 21386 respectively, the breaking test for the stream
steel wire in each instance is 13.2 tons.

The Builders have been notified regarding the Notice
Boards to be fitted at the control stations.

We are, Dear Sir,
Yours faithfully,
THE SURVEYORS.
Per. H.Y.BELL.

The Secretary,
WOKINGHAM.
