Dear Sir,

M/S "ENRICO M."

We regret having to report that the above motor ship having been drydocked at this Port, we attended aboard and learned that she had recently changed Ownership and the new Owners have decided to to withdraw the ship from the Society's Class - retaining classification with Registro Navale Italiano only.

Yours faithfully,

  
(W.J.G. Wilson)

per The Surveyors.

The Secretary,
