Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

1st August, 1935.

Dear Sirs,

S. With reference to your letter of the 4th May last, and to previous correspondence respecting the new Motorship "JOLLY DAYS", I have to inform you that The Society's Surveyors at Southampton have forwarded a letter addressed to them by the Engine Builders, Messrs. Petters Limited, to the effect that the Owner, Mr. F. W. Horlock has not yet received the certificate for the machinery of the vessel.

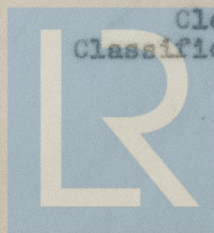

In view of the fact that the certificates for the hull and machinery of this vessel were forwarded to you on the 7th May last to be handed to the Builders, Messrs. John Lewis & Sons, at their special request, I shall be glad if you will be good enough to enquire of the Builders whether both certificates have yet been handed over to the Owner.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
ABERDEEN.

Clerk to the
Classification Committee.
