Dear Sir,

S.S. "HUNG SING"

ANSD.....

Reference

"H. & F."

With reference to your letter dated 20th June, 1947, and addressed to the Barretto Shipping & Trading Co. Ltd., I now enclose a copy of the reply received from which it will be seen that the new Owners of the vessel do not propose to carry out further Classification Surveys.

The new Owners have asked that a survey for the renewal of the Load Line Certificate be carried out and I assume that it will be in order, in this case, to follow the instructions on page 3, paragraph 5, of the recently issued Instructions to Surveyors for the survey of disclassed iron and steel ships. The survey will be reported on form Rpt.8, form C 11(d) and C 12(a).

I was informed verbally by Mr. Barretto that the vessel had recently been sold to the Cheng Chiang Shipping Co. Ltd. of 48, Winchester House, Singapore.

Yours faithfully,

ENCL:

The Secretary,
London.
