28th. December, 1917.

Dear Sirs,

I am duly in receipt of your letter of the 19th. inst. respecting the examination of the inner surface of the bottom plating of the motor vessel "LUTONA", and with regard thereto I beg to acquaint you that the Committee, who have had the subject before them, note that the vessel has been taken over by the Government, and that she is on important service in the north of Scotland. In the circumstances the Committee have decided to defer the consideration of the case for the present.

I am, Dear Sirs,

Yours faithfully,

Secretary.
