Service Survey due 9.53 - 2 yr shaft.

Laid up - surveys overdue assigned 22.6.54.

Proposed to be held

Remarks *The Oslo Surveyors state the Owners desire to postpone the Half Inni Survey for about 3 months to avoid wood repairs, if any are required, during the winter season. The vessel is due to be drydocked next week.*

The vessel has been laid up since about June 1952. The class is subject to examination in drydock before resuming service.

Chief Surveyors' recommendations

Submitted that, before resuming service, the service survey should be held also that all machinery should be generally examined under working conditions for the desired postponement of survey.

Submitted for Approval provided the shift is found satisfactory at the dry docking.
