QUESTION

ANSWER

With reference to my letter of the 23rd June last, I shall be glad to learn whether this vessel is still laid up.

You will observe that the Special Survey is due at the end of the present month.

L.R.

Date:— 28th December 1954.

The owners desire to postpone the Survey for about three months to avoid wood repairs, if any are required, during the winter season. The ship will be drydocked next week when she will be examined.
