Dear Sirs,

m.v. "SANTO"

I am in receipt of your letter of the 16th instant in which it is stated that triplicate copies of the revised plan of the electrical installation of the above ship are enclosed.

The plan has been examined and I have to say that it appears to be identical with the drawing submitted with your letter of the 30th October 1950, which was the subject of my letter of the 11th November 1950.

In the circumstances it is concluded that a revised plan of the electrical installation will be submitted for consideration as soon as possible.

One copy of the plan is returned herewith for reference purposes.

Yours faithfully,

⚡ The Surveyors,
OSLO.
