Enclosure.

Dear Sirs,

I enclose herewith, for your information, a copy of a letter which has today been addressed to Navigation Maritime Bulgare, showing the survey position of various vessels of their fleet.

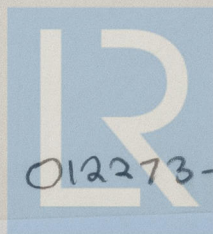

With regard to the "Pirin", I would refer to my letter of the 15th and your reply of the 18th September and shall be glad to learn, for the early information of the Committee, what definite arrangements have been made for the Boiler Survey to be carried out.

In connection with the "Vassil Levski", I would refer to my letter of the 14th November last and inform you that no information has been received to the effect that the auxiliary air receivers have yet been examined, and I shall also be glad to learn what early arrangements are proposed to be made for this matter to receive attention.

Yours faithfully,

Clerk to the  
Classification Committee.
