Dear Sir,

"AGNIJOY" Report No. 20943.

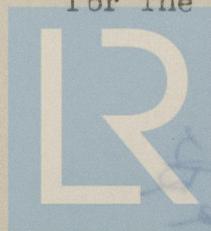

With reference to your classing letter of the 21st December 1962, enclosed are Southampton Report No. D19070 covering one propeller and Nottingham Reports No. C 33502 and C 33133 covering the Auxiliary engines and Dynamos for the above vessel. The relevant screwshaft certification, Calcutta Report No.117, were sent to Head Office with our letter dated 11th September 1962. Whilst the certificates for the remaining items have not been received in this office, details of which were taken from copies in the possession of the ship builder Messrs. Hooghly Docking and Engineering Co.

The Secretary,  
LONDON.

Enclosure: (4 certificates)
