Dear Sirs,

R.
SEI/BN

S.S. "BAYON"

In reply to your memorandum of the 11th September, I have to say that provided a satisfactory General Examination of the Hull and Machinery, in accordance with Circular 1959, is carried out at your port or Singapore before the end of November 1963 with drydocking at the discretion of the Surveyor the Committee will then be prepared to consider the postponement of the Special Survey.

In view of the age of the ship the period of postponement for the Special Survey will be dependent upon the condition of the vessel as found and reported upon at the General Examination and in no circumstances beyond the end of October 1964.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Surveyors,
HONG KONG
