Dear Sir,

S.s. "GYLLIR" and s.s. "GUDMUNDUR JUNI".

With reference to your letter of 22nd February regarding the "Gyllir" and your Memorandum dated 25th February, respecting the "Guðmundur Júní", I have communicated the Owners (same Owners for both vessels) and so far, they are not able to decide whether the ships will be classed or not. They asked for postponement until they have made up their mind about these old ships. They have under construction one new trawler in Germany, over 1000 tons gross (diesel trawler), which is build under Lloyd's Class.

Yours faithfully,

Viggo R. Jessen

The Secretary
Classn (H)

PS.

Both the above trawlers are now laid up here at Reykjavik.
