Dear Sirs,

m. Tanker "TAFELBERG" ex "ANNAM"

With reference to your letter of 23rd March last, I am enclosing copies of memoranda showing the Committee's requirements for re-classification of this tanker.

I must apologise for the great delay in replying to your letter.

I shall be glad to learn whether you are in a position to forward the official letter from the South African Navy requesting re-classification.

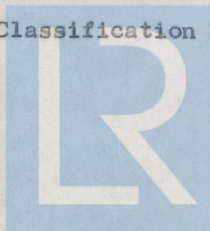

A copy of the machinery First Entry Report will be forwarded to you as soon as possible.

In accordance with normal practice, the Owners should be advised that any present classification should not be relinquished until re-classification of both the hull and machinery, with Lloyd's Register, have been completed and re-classification assigned by the Committee.

Yours faithfully

pro Classification Manager.
