21st April, 1967.

Dear Sirs,

M. S. "ANNAM" now named
"S.A.S. TAFELBERG".

I acknowledge receipt of your letter dated the 12th April, with enclosure, and to assist the new Owners, I enclose a copy of the 7E indicating those machinery parts which were examined while the ship was classed with the Society.

The incidence of the hull and machinery surveys were as follows:-

<u>Annual Docking.</u>	November, 1962, October, 1963, July, 1964, April, 1965,.
<u>Special Survey.</u>	October, 1963
<u>Port Auxiliary Boiler.</u>	February, 1962, October, 1963.
<u>Starboard Auxiliary and Exhaust Gas Boiler.</u>	April, 1961, December, 1962, July, 1964
<u>Screwshaft</u>	January, 1962, April, 1965.

It may well be, however, that the Owners would prefer to have copies of Interim Certificates issued, and this can be arranged, at a cost of approximately £10 0. Od. Perhaps you will be good enough to let me know their further wishes in this respect.

Yours faithfully,

The Surveyors,
CAPE TOWN.
