"ONWARD PIONEER"

Dear Sir,

We would refer you to your letter of the 28th ultimo regarding the overdue surveys on the above vessel and have to say that these matters were discussed with the Owners during a telephone conversation today.

It was stated by the Owners that in their view no useful purpose would be served at present by maintaining the vessel's class and have therefore decided to allow it to lapse.

Perhaps, in the circumstances, you will be good enough to arrange for this case to be dealt with as necessary.

Yours faithfully,
The Surveyors,
