Dear Sirs,

"HAVELET" and "BELVEDERE"

Your letter of the 25th May addressed to the Society's Surveyors at Southampton has been forwarded to this Office for attention, and the Committee have been informed of the position.

In the circumstances, they have given instructions for the class of each ship to be marked in the Register Book "Class withdrawn at Owners' request".

I would like to take this opportunity to say we much regret that, owing to unfavourable economic conditions the long and happy association which has existed between us for many years has now to be severed, but we all trust that happier times will arise in the not too distant future.

Yours faithfully,

c.c. Sou

Clerk to the  
Classification Committee
