Dear Sirs:

In reply to your letter of 13th February, on behalf of Owners, we refer to our letter of 9th February wherein we requested extension of the above vessel's Special Survey being postponed for a further period of 15 to 20 days. For your guidance, the vessel is still in Cairns and ETA Manila about end of this month to discharge wheat cargo, thereafter she will proceed to Hongkong with intention to pass Special Survey and Main Boiler Survey. We estimate her ETA Hongkong would be about 10/15th March.

We would greatly appreciate your confirmation on the above request of extension.

With many thanks,

Yours very truly,
