Dear Sir,

*Jim R.B.  
No. 46319*  
M.S. "ALTEFAHR".

We enclose herewith duplicate copies of our Damage Report covering the survey recently carried out at this port on the above vessel.

*1001  
Black Country*  
The vessel is insured by the Black Sea & Baltic Insurance Co. Ltd., 106, Fenchurch Street, E.C.3, and the survey was carried out at the request of their Agents, W.K. Webster & Co. Ltd., Lloyds Chambers, Crutched Friars, E.C.3.

Our account has been addressed to the latter firm through the local shipping Agents, A. Woodham & Co., Paines Wharf, Littlehampton, with original plus three copies of the certificate.

We are uncertain whether Circulars 2183 and 2205 should have been complied with in this case, but trust that the above arrangements and our Report 10 are in order.

Yours faithfully,

pro The Surveyors.

The Secretary,  
LONDON.

REPORTS

*[Handwritten signature]*

It is assumed that the Martin's consent was also obtained to carry out this survey or that Memo Webster & Co were the Queen's Agents. This should be stated in the Rpt. <sup>Enclosure 283 & 285 do not apply as this is not a ~~Queen's Agent~~ <sup>Queen's Agent</sup> ship. A report should also be forwarded.</sup>
