ANSWER

Date:— 12th June 1962

The last recorded docking survey notation assigned for this ship in the Supplement to the Register Book is October, 1960.

I shall be glad to learn what arrangements the Owners propose making to carry out a further docking survey.

The Owners have not replied yet to our letter of 12th May 1962 ; but it is understood from the Dockyard that the Vessel will be dry docked towards end of this month or next.
