Dear Sirs,

m.s. "ORSHA"

With reference to the classification in this Society's Register Book, I would draw your attention to the fact that according to our Rules the Auxiliary Boiler Survey became due at the end of November last.

I shall be obliged if you will kindly let me know whether it is your intention to discontinue the classification of this vessel with Lloyd's Register or, alternatively, will you please state what arrangements are proposed to be made for this overdue survey.

Yours faithfully,

Clerk to the  
Classification Committee.
