

13th March, 1959.

LOGNE

"EARLY I" Before your reports on this vessel can receive the consideration of the Committee, I shall be glad if you will forward the torsional vibration calculations for the three auxiliary engines covered by your Rpts. 4c Nos. 319, 320, 321. In future similar cases, every endeavour should be made for the torsional calculations to be forwarded when the request for survey is received.

"AXEL ENSTROM" With reference to my letter of the 23rd January, I shall be pleased to learn if you are yet in a position to forward the torsional vibration calculations for Humboldt-Deutz Auxiliary Engine Nos. 2185936-43.
