Dear Sirs,

m.s. "RAPHAEL"

With reference to the classification in this Society's Register Book, I have to draw your attention to the fact that, according to our Rules an Auxiliary Boiler Survey became due at the end of May last.

I shall be much obliged if you will kindly let me know whether it is your desire to discontinue to the classification of this vessel with Lloyds Register, or, alternatively will you please state what arrangements are proposed to be made for this overdue Survey to be dealt with.

Yours faithfully,

Classification Manager.
