Dear Sir,

Motorship " TIRTONADI "

I am in receipt of your letter of 12th instant with regard to the above named ship.

On calling on the Owners this morning it was learnt that the Vessel was still under the direction of the military and operating about the East Celebes ; but they expressed the hope that the ship may be at this port before the end of the month, when we would be duly informed.

The Owners seemed anxious for a General Examination to be held afloat for the postponement of the SS.

I shall keep you informed of this case.

Yours faithfully,
