

COPY OF AIR LETTER

# LLOYD'S REGISTER OF SHIPPING

71, Fenchurch Street, London, E.C.3

Enclosure

23rd October, 1958.

Dear Sir,

Motorship "TIRTONADI"

esn(S)

I am in receipt of Djakarta Rpt. 1, No. 5434, which is considered to be unsatisfactory in regard to certain items.

In order to assist in this case, however, I am enclosing a new form Rpt. 1 (which has not been issued officially as yet) and which has been completed in pencil so far as possible with the information available here. I shall be glad if you will arrange with Mr. McGinness for him to complete the enclosed form and return it to this Office as soon as possible, when it will be substituted for the original First Entry Report.

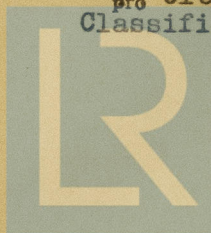

Please also forward the necessary approved plans showing modifications (if any) carried out during construction, together with "As built" plans (if any) and Forging and Casting Certificates for the rudder and sternframe, etc.

The plans of cross sections, bulkheads and general arrangement stated on page 4 of the First Entry report to have been attached do not appear to have been received in this Office, and if these have not been despatched, this should now be done.

Yours faithfully,

pro Clerk to the  
Classification Committee.

J.A. Boater, Esq.,  
DJAKARTA.
