

m.s. "TIRTONADI" - Dja. F.E.Rpt.No.5434.

In view of the First Entry Rpt.1 not having been satisfactorily completed by the Djakarta Surveyor, IT IS SUBMITTED the attached new F.E.Rpt.1 (which has been completed in pencil so far as possible with the information available) be forwarded to the Djakarta Surveyor, and that he be requested to complete same and return to this Office as soon as possible when it will be substituted for the F.E.Rpt. previously submitted by him.

He should be requested to forward the necessary approved plans showing any modifications (if any) carried out during construction, together with "As Built" plans (if any), and forging and casting certificates for mdder and sternframe etc.

The plans of Cross Sections, Bulkheads and General Arrangement stated on Page 4 of the F.E.Rpt. to have been attached thereto do not appear to have been received in this Office.
