Dear Sirs,

" MARISIN M " Rept No 5218

18th April 1956

Referring to yours of the 13th instant regarding the Boiler Survey held on the above vessel, we understood that the record of BS should not be granted until the safety valve chest has been renewed, and at no time should a record of BS be granted and a subject attached.

We refer to a similar case " CONTE BIANCAMANO " Rept No 5776, and your letter of the 16/3/56.

We should be grateful if you would advise us on this matter.

The Secretary

L O N D O N

Yours faithfully,

William N. Martin.
