Dear Sir:

We wish to advise you that the Owners of the above vessels have now stated that they have applied for classification by the American Bureau of Shipping which they hope will take effect after carrying out the classification surveys this summer.

The attendance of our Surveyors however, is requested on all three vessels during the survey period, it being expected that Lloyd's Register class will be retained for a period of two weeks after the vessels leave the shipyard.

The Owners intend to formally request cancellation of class at that time.

Yours faithfully,

W. J. ROBERTS
Chief Representative and
Principal Surveyor
