Dear Sirs,

Steam Tanker "ESSO BALBOA"

I forward herewith a copy of letter received from the Chief Representative for the U.S.A., together with a copy of the reply that has been addressed to him today.

It is concluded the alterations to this ship are proceeding under the inspection of the American Bureau, but it will be appreciated if you will advise me at a later date that they are nearing completion, and the Committee will then doubtless assign a notation of "Class withdrawn at Owners' request".

Meantime you will observe that the Committee are prepared to await the outcome of Mr. Roberts' further representations to the Owners in New York.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
HAMBURG.
